*“2020 ~ Act now . . . for a **Green Ridgewood**”*

February 2020

Dear Friend,

The Conservancy for Ridgewood Public Lands and Green Ridgewood are pleased to again host the “Daffodil Festival and Earth Day Fair” together on Sunday, April 19th, from 11:00 am to 2:00 pm. This fun family event takes place in Memorial Park at Van Neste Square, located along East Ridgewood Avenue, Ridgewood, NJ.

The theme this year is “2020~ Act now . . . for a **Green Ridgewood**”, which highlights the importance of sustainability and showcases how Green Ridgewood assists the village in going green. Plans for the festival include many interactive eco-themed activities. Learn about local environmental progress, discover what green challenges are on the horizon, and find out how you can contribute to a more sustainable community.

Plans for the special day already include: the Bio Food Lab from Ramapo College, pony rides, a petting zoo, musical entertainment by Blue Plate Special and activities for children. Many vendors will also attend; specializing in a variety of interesting products and services, educational displays and programs, demonstrations and crafts. Always a highlight is the Daffy Dog Parade which is to begin at 12:30 pm. All leashed dogs and their owners are welcome to dress in costume and join the celebration, with prizes to be awarded.

Join us at “2020~ Act now . . . for a **Green Ridgewood**”, as a sponsor, vendor, social service agency, local organization or green entity, at this educational and fun-filled event. A registration form is enclosed for your convenience.

Please feel free to contact me at nbigos@ridgewoodnj.net should you have any questions. We hope to include you in the day's festivities.

Yours truly,

Nancy A. Bigos
