

Travell Green Team Presents:

# Meet the Farmer and Meet the Beekeeper Night

March 29th 7 to 8pm, Travell gym

Join us as we meet our farmer from Stokes CSA to talk about life on the farm! Find out where your food is grown and ask questions about growing practices.

We will also meet Frank Mortimer, a Travell Dad and beekeeper! He will talk about beekeeping in Ridgewood and how important bees are to our environment.
